INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

SIR:

I hereby make application for such share as may be due me of the fund appropriated by the Act of Congress approved June 30, 1906, in accordance with the decrees of the Court of Claims of May 18, 1905, and May 28, 1906, in favor of the Eastern Cherokees. The evidence of identity is herewith subjoined.

1. State full name—

English name: Mrs. Texanna Eliza Harris, wife of Jacob Thomas Harris,

1882, near Cameron, Texas. He was my ancestor who had Indian blood;
My grand father was Daniel Overton. I saw him in my child-
hood, and I think he lived in Indian Territory. He was 1/4 Cherokee.
My father's uncle Aaron Overton came to see my father when I was
a child. He was dressed in full Indian dress. This was at Cameron,
Texas. My father's brother Edward Overton went to Talleguas and had
his name, my father's name, his sister's name (Mrs. Martha Fry, nee
Overton), and as I am informed, the other names of our family en-
rolled. Calvin Overton was my uncle, Lavitna Overton was my aunt.

8. Are you married? I am. I think my uncle Calvin lived in Little Rock, Ark.,
also. Lavitna Willett (nee Overton).

9. Name and age of wife or husband: Jacob Thomas Harris; 68 years old. My husband

their families moved to Texas, and they were married there.

12. Where did they reside in 1851, if living at that time? At Cameron, Texas, on a farm.

Father: in April, 1882. Mother: 1856, in January, on the 10th day

14. Were they ever enrolled for annuities, land, or other benefits? If so, state when and

where: As stated before, my uncle Edward Overton went to Tallequah, Indian Territory about 1850 or 1851, and enrolled the members of the family.

15. Name all your brothers and sisters, giving ages, and if not living, the date of death:

NAME	BORN.	DIED.
(1) <u>Victoria Overton</u>	<u>1851</u>	<u>1882</u>

(3) <u>Elizabeth Ann (Twin)</u> <u>James Daniel (twin)</u>	<u>" 1855</u> <u>1855</u>	<u>living in Oklahoma,</u> <u>living in Texas.</u>
(4) <u>There were several children by the second wife, 6 boys and 2 girls; 5 of the boys are dead and 1 girl. They all lived in Texas. The first was named Samuel, and the second Calvin; then John Forrest, Robert E. Lee, Eudicia, William, Mary, and I do not now remember the name of the other one. There may possibly have been but 7, and I have been away from there since the war</u>		

16. State English and Indian names of your grandparents on both father's and mother's side, if possible:

FATHER'S SIDE.

MOTHER'S SIDE.

There was but the one Indian in my family, and her name was Polly Randolph. She was what was then called a full blooded squaw.

She married an Irishman as above stated, by name Moses Overton.

17. Where were they born? Moses Overton was fresh from Ireland, and Polly

Randolph lived in North Carolina.

18. Where did they reside in 1851, if living at that time? As stated above my grandfather

when I was a child, but I do not know the year. I saw him when I was a child, and saw also his brother Aaron who dressed as an Indian.

19. Give names of all their children, and residence, if living; if not living, give dates of deaths:

Luvitha,

(1) English name: James Daniel Overton, Edward Overton, Martha (afterwards married a man by name Fry), Calvin, and a sister who died young.
Indian name: I do not know that they went by any Indian name.

Residence: Martha Fry, Uncle Calvin, aunt Luvitha and aunt Martha lived in Arkansas, and I think all at Little Rock.

(2) English name: Luvitha Willett (nee Overton),

Indian name: I know of no Indian name. She had none.

Residence: Little Rock Ark.

(3) English name: Edward Overton.

Indian name: He had no Indian name.

Residence: Little Rock, Ark.

(4) English name: Martha Fry (nee Overton),

Indian name: No Indian name.

Residence: Little Rock, Ark.

(5) English name: Calvin Overton.

Indian name: He had no Indian name so far as I know.

Residence: Little Rock, Ark.

20. Have you ever been enrolled for annuities, land, or other benefits? If so, state when and

where: No enrollment except of my father's family that I know of.

And this was made, as above stated, by my uncle Edward.

21. To expedite identification, claimants should give the full English and Indian names, if possible, of their paternal and maternal ancestors back to 1835: I have no knowledge of the names back of those given, that is the original Indian woman Polly Randolph, and her descendants as above named. But a photograph of some of my children would reveal the Indian blood most perfectly, in color and in feature.

REMARKS.

(Under this head the applicant may give any additional information that he believes will assist in proving his claims.)

I have already stated about all that I know about the matter, but my uncle Edward Overton wrote a letter the Agent at Tallequah for my husband before he went there to see about the matter. We had a number of letters in regard to the matter from different parties at Tallequah, but we seem to have lost these and also my uncle's letter.

NOTE.—Answers should be brief but explicit; the words "Yes," "No," "Unknown," etc., may be used in cases where applicable. Read the questions carefully.

I solemnly swear that the foregoing statements made by me are true to the best of my knowledge and belief.

Hon. Guion Miller,

Special Commissioner Indian Eastern Cherokee Enrollment,

Washington, D. C.

Sir:-

Replying to yours of the 4th inst. in the matter of Cherokee enrollment application No. 18661, in which you made reference to the possibility of there being minor children of some of the applicants named in the aforesaid application, we will say that there is but one child, Morris Elbert Fox, Jr., the son of Lena Harris Fox and Morris Elbert Fox of this City. The child however was not born at the time named by you, that is May 28, 1906; he was born July 3, 1906.

The child's mother has been ill almost ever since the birth of the child and unless the child would be included, it would be unnecessary to put her to the trouble of making out the application for it, still if there is a possibility of this child's being included among the number to be enrolled, she will very gladly incur the expense of having a Notary Public and witness go to her home for the purpose of aiding and making out its application.

In the matter of the enrollment of these claimants, the papers heretofore sent to you by Mrs. Jacob T. Harris, formerly Miss Texanna Eliza Overton, for herself and her five children, the youngest of whom was 21 years of age Oct. 24, 1906, were made out upon the application of Mrs. Harris herself and if it should be desirable to have the application made in the name of each of her children, as all of them are over 21 years of age, this will be attended to at once. But we have assumed that the application of Mrs. Harris properly sworn to and witnessed would be sufficient for her and her children.

If there is any matter of special proof required in this case to which you can call our attention without in any way interfering with your official duties, we will be obliged to you.

Sir:

Replying to your letter of the 20th inst., with inclosures for the report of minor children of persons of Cherokee blood, I send you herewith a statement by Mrs. Texanna Elizabeth Harris (nee Overton), a person of Cherokee Indian blood, as stated heretofore in her application. But the paper she returns was to be filled out with the names of her minor children, and she has none. She has filled the paper with the names of her children, all of whom are of age, and through me she requests that you send her such papers immediately as may be necessary for her children to fill out for themselves if it is necessary for those who are past 21 years of age to file their own applications.

This is a very fine family of people, and they need the money that is coming to them because of misfortunes that have come to them for which they were not responsible.

Dear Sir:-

Replying to yours of the 20th ult. with enclosures of applications for participation in the division of the Cherokee Fund, we enclose you the applications of the five living members of Mrs. ~~Texanna~~ Eliza Harris's children.

You will notice in these applications that Mrs. Harris states of her own knowledge that her great uncle, Edmund C. Overton went to Tallegua, I. T. some time between 1851 and 1861, she does not know the exact year, for the purpose of registering the members of her family who were of Cherokee descent. It is also stated in each of the applications as well as in the application of Mrs. ~~Texanna E.~~ Harris heretofore forwarded that Mr. Jacob T. Harris, the Father of these last applicants and the husband of Mrs. ~~Texanna E.~~ Harris, 22 or 23 years ago went to Tallegua to make a personal investigation as to what had become of the registration of the members of said family for participation in the Cherokee division; and at that time he learned that the records at Tallegua had been destroyed by fire.

Of course we are aware that it would be very important in the establishment of these claims to find that a copy of the Registration referred to, had been forwarded to Washington before their destruction at Tallegua, but if it would be of any service in this case we can file an affidavit of Mr. Jacob T. Harris that he went to Tallegua for the purpose of finding out what had become of the registration of the members of his wife's family.

-2-

There can be no question with any one at all acquainted with this family that the Mother and children are of Cherokee descent. It is apparent from their personal appearance to anyone at all acquainted with the features of the Cherokee tribe; but even if there were no such resemblance, the standing and integrity of the family is practically a guarantee that any representation made by them is true.

Very respectfully,

Charles R. McManis

Before me, Hamilton Parks, a Notary Public, in and for the County of Davidson, State of Tennessee, personally appeared Jacob T. Harris, personally known to me, and a man of the highest standing for integrity and truthfulness in the community in which he lives, who after having been duly sworn, states upon his oath:

In the year 1885 I was living with my family in Albany, Texas, and I went ^{to} Cameron in Milam County, Texas, to see my wife's uncle, Edward G. Overton, her father's brother, to make an inquiry of him as to whether the members of my wife's family had been registered as Indians. He told me that they had been enrolled at Tallequah, and that he had himself gone to Tallequah and had the enrollment made. He then gave me an affidavit that he had had the enrollment made, which affidavit was addressed to the officers at Tallequah, Indian Territory, and was carried by me to Tallequah, where I went to investigate the records. I went with the affidavit to a Presbyterian preacher in Tallequah, and was by him recommended to a lawyer by name Benge, whom I asked to search the records for the names of my family; and I was informed by Mr. Benge that the records had been destroyed by fire during or about the time of the Civil War. This affidavit of Edward G. Overton I brought home with me, and preserved it for many years, but recently I have in some way misplaced it or lost it, and at present I am unable to find it, though I feel sure that it is still somewhere among my papers. I distinctly remember having it as late as 1897 or 1898. My wife's father was of Indian blood, and so was her brother Edward G. Overton. My wife's name was Jessie Overton

Hon. Gaion Miller,

Special Commissioner,

Dear Sir:

I have your letter of the 9th of March in the matter of the Indian claim for which I had filed my papers; and in reply I will say that in the year 1882 I resided at Partlow, Wilson County, Tennessee, and that at that time I was not informed as to an enrollment of my family for Indian claims.

The questions heretofore asked me were in relation to an enrollment in the year 1851, which question I have previously answered, stating that my husband went to Talleguah, in 1885, having with him an affidavit sworn to by my uncle, Edward G. Overton, who, in 1851, had the names of the family to which I belong enrolled. In the year 1885 my husband went to Talleguah for the purpose of examining the roll, having with him the affidavit of my uncle, which affidavit had been given to my husband by my uncle to present to the authorities at Talleguah. And when he got there he was informed that the roll had been destroyed by fire during the Civil War, when the Court House was burned, or rather the house in which the records were kept. We have not heard of any enrollment since that time.

In answer to your question as to where my parents lived in 1834-1835, I will say that they resided in the State of Arkansas.

As to myself I am of white and Indian blood, and my people were never in slavery of any kind.

I inclose herewith an affidavit made by my husband, J. T. Harris, as to the affidavit made by my uncle.

I am 69 years of age; Texanna E. Harris is my wife; have known her since 1868. She thinks she has Indian blood and all her people told me she had Indian blood, Cherokee Indian blood. I was told this about 1868. Her uncle told me this (Ed Overton) and I think her father told me so when I was at his house. Her aunt would say to me before we were married that my wife had Indian in her and that I better watch her. Her uncle, Ed Overton, wrote her to send me to him to get affidavit and go to Tahlequah to put in a claim for an allotment. I got the affidavits and went. I went to a lawyer there (Benje) and he went down to the courts to examine the records. He said the corresponding papers had been destroyed when the court house burned. He ~~advised~~ advised me further that if I would find some of my relatives there that I could make out my case. As I had not gone prepared to stay and did not know what to do I went back home. After my return my uncle told me of another family of relatives that lived in the edge of Arkansas near the Territory line. Some of my wife's relatives who had allotments in the Territory wrote to her afterwards.

Hon. Gideon Miller,

Washington D.C.

Dear Sir: I filed a claim for participation in the fund arising from the judgment of the Court of Claims for the Eastern Cherokee Indians. and I have never received any notice as to whether my claim had been approved or rejected. I based my claim on my relationship to the Hards. Would like to find out whether Geo. Jerry or Elisabeth Hard was ever enrolled. If so why am I not entitled to a share in said fund. providing I can prove a direct chain of relationship by blood to said Hards.

Your assistant Mr Bradley was in Dahlonega Ga on the 13th just taking testimony for claims. Mr Bradley stated that my claim was all right or had been rejected one else I would have received a notice to have met him in Dahlonega on the 13th. If the Hards was Indians and there is no doubt about that. I can prove my relationship to them. Would you kindly let me hear from you in regard to this? My application or receipt card is No. 18661

Respectfully,

Dear Sir:

In the matter of the claim of myself and my children, claim No. 18661, filed in your office, I send you herein an affidavit made by Mr. J. W. Lannon, who for many years has known my family, and knows that it has always been known that I am of Indian descent. I might furnish other affidavits of the same kind, and it can easily be shown that Mr. Lannon is in every sense worthy of belief.

Very respectfully,

COURT OF CLAIMS
EASTON, CHESAPEAKE
SEP 17 1908

State of Tennessee, X
Xss.
Davidson County. X

Personally appeared before me, Hamilton Parks, a Notary Public in and for the County of Davidson, and State of Tennessee, J. W. Lannon, personally known to me, who after having been duly sworn deposed as follows:

I have known Mr. J. T. Harris for about fifty years. He and I lived in the same neighborhood, he in Wilson County and I in Rutherford County, only about three miles apart. Mr Harris went off to Texas, and after while the news came back to us that he had married a woman that was part Indian. This was the news that came back from Texas about the time he was married, and afterwards. But some time after that I moved to Wilson County, and in 1875 I moved to another place in Wilson County, and Mr. Harris had come back from Texas and was living with his father, and they were next door neighbors to us. From that time, 1875, until two years ago, this coming November^{when}, I moved into Nashville, I lived in that immediate neighborhood, and Mr. Harris and his family and myself and my family have been on the most intimate terms of friendship. After Mr. and Mrs. Harris came back from Texas I often heard them, both Mr. and Mrs. Harris, and members of the family, talking about her being of Indian blood, and they seemed to be proud of it. They spoke of it frequently. It was a common thing among us to talk about her being an Indian. She was very fond of out-door sports, such as hunting nuts, shooting, and climbing trees, and we would in jest call her "a squaw", and she seemed to appreciate it; and now and then when another child would be born in the Harris family the neighbors would say there is another little Indian in the neighborhood. A man by name of Ab Myers came along, and inquired about Mrs. Harris, and said he wanted to see "that Indian woman", just as if she were a full blooded Indian in a show, and when he went to Mr. Harris's he found Mrs. Harris up a hickory tree. I cannot just say what tribe she was said to belong to, though I am satisfied I have heard them say; but I remember hearing her talk about her people coming to her home in Texas when she was a little child, and that they looked so much like Indians - full blood Indians, that she was afraid of them. This was away back in 1875, and all along after that year. It was also a common talk in the school when these Harris children came in that they were Indian children.

I am sure that people of my age in that neighborhood could be found, many of them, who would make the same statement about this matter that I have made, for it was just common neighborhood talk.

I am 60 years of age, was born in 1847, and I would say that Mr. and Mrs. Harris were just as good people as we had in our neighborhood. They were church people, and always regular in their attendance at church, and I would believe them as quickly as I would anybody I know. I do not know anything about Mr. Harris's going to Talleguah to see about the registration of his wife and their children, except that I heard him speak about it many years ago. He told me that he had learned that his family had been registered, but that there had been a fire that had destroyed the papers in some way, but this was so long ago that my recollection is not distinct as to the matter. A man by name Tom Martin, still living in Wilson County, used to be forever teasing Mrs. H. about her Indian blood.

Dear Sir:

Honorable Joseph W. Byrns,
House of Representatives,
Washington, D. C.

Sir:

I have the honor to acknowledge receipt of your letter of July 29, 1909, making inquiry relative to the application of Mrs. Texanna Harris of Nashville, Tennessee, and in reply you are advised that this application was rejected for the following reasons:

"Applicant fails to show any genuine connection with the Eastern Cherokees. It appears that no ancestor was ever enrolled and none were parties to the treaties of 1835-6 and 1846."

Considerable testimony was taken in connection with this case, the applicant herself examined by one of my assistants, but we were unable to find any connection with the Eastern Cherokees.

of Millie Hightower.

My mothers Great Grandmother
name was Millie Hightower
Millie Hightower is her Indian

I sent my Brother a copy of
the questions and answers in

and explained the mistake

My Brother's name is

He is much older than

affairs than I do. Will you kindly
correct this mistake.

Alex C. Martin,

Indian Territory.

Sir:-

Replying to your letter of August 5, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, as the Court of Claims in its order of April 29, 1907, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 33,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

HLC.

Fannie Gowins, being first duly sworn, deposes and says:-

My name is Fannie Gowins. I live at Cowan, Tenn. I was born in 1841 in Cleveland, Tenn. I claim through both my father and my mother. I claim to be connected with the Cherokee tribe of Indians. I don't know when my father and mother died. My parents were born and raised in Rutherford County, Tenn. I never heard of either of my parents getting any money or land from the Government. I never heard of them living with the tribe. My father and mother were recognized as members of the tribe, I reckon. I never heard of them taking part in any tribal matters. I reckon my grandparents lived with the tribe. I think I heard mother say they went with the tribe. I never saw but two full blooded Indians in my life. I have never lived with them at all. I ~~was~~ was the youngest of five children. I think my parents were living with the tribe when my oldest sister was born. I never heard my parents say when they left the tribe. I never heard of the Treaty made with the Cherokees. I can't remember my father hardly at all. I never heard ~~of~~ my mother say anything at all about living with the Indians. I don't know when the Indians went west. When my oldest sister was born my mother was living in Granger County. There were just a few Indians scattered around there. There was no tribe. I heard my mother say she loved to stay with the tribe. She never said why she left them. My mother said that she was sorry she left the Indians. I used to tell her she ought not have left. It would have been better for us if we had not left the Indians. We would have been with our own tribe and better satisfied. My mother was not much of a hand to talk. She never told us anything about our kin folks.

My name is William Henry Goins. I live in Dechard, Tenn. I was born in 1853 in Wilson County, Tenn. I claim Cherokee blood through my father and his father and mother both. My father was born in Ky. I reckon my father was near 40 or 50 when he died in 1862. My grandfather and mother came from Ky. and raised my family there. That's what makes me think my father was born there. My father lived the most of his life in DeKalb and Wilson Counties, Tenn. My father was recognized as a white man in the community in which he lived. I mean a white man with Indian blood. My father was 3/4 Indian. My grandfather and grandmother was full blooded. My grandfather and grandmother were born in Ky. I know that my father never lived with the Cherokee tribe. I never heard him say whether my grandfather and mother did or not. My father or grandparents never took any part in tribal proceedings as I know of. My father voted, and I reckon my grandfather did too. I never heard of my father or grandparents being enrolled with the Cherokees. Some of my kin folks went out to I. T. and got some land. I expect it has been about 25 or 30 years ago. I don't know whether any of them are living now. I know one of them died out there. I have not heard within the last five or six years from them, so I don't know whether they were enrolled within that time. I don't know the names of any of my kin folks in I. T. now.

That I am 70 years of age and live in Bradley Co., Tenn. I claim my Indian descent through my ~~mother and~~ grand father and grandmother on my father's side. My grandmother was about 1/2 Cherokee. My father was born in Orange Co., N. C. and my grandmother I think was born in ~~the~~ Old Virginia; I don't know what part. I was born in Macon Co., N. C. My father nor his mother never lived with the Indians that I know of. My grandmother died about 1875 and my father died about 1887 or 1888. My father had no brothers or sisters. I never heard that I or my father or his mother was ever on any rolls. I and my father and his mother have been recognized as white people. The Indians were all gone from Macon Co., N. C. before I ever knew anything about them. We made application in the Dawes Commission but never received anything. Dewitt Cunningham of Franklin, Macon Co., N.C. is a witness. He knows all about my father and grandmother, - knows more than I do. James Franks of the same place is another witness. The wife of Millard F. Guy is a white woman, and my other brothers' wives are white.

COURT OF CLAIMS EASTERN CHEROKEES. Rec. JAN 17 1908

Special Comm. Court of Claims 1736

My only claim to descent from Cherokee Indians is thro Betty Pledge Poindeexter, ~~late~~ was the daughter of William Pledge and his wife, who was the daughter of Chief Donahoe. This is as certain and well established as any line of descent can be and has been fully set forth in affidavits already sent in by me (No 18736) both for myself and minor daughter. If this does not entitle us to a share of the Cherokee inheritance we have,

So far as I know, no other
claim. As this applies equally
to my children it will be suf-
ficient, I presume, to give their
numbers and save the commu-
nity useless letters.

COURT OF CLAIMS

Rec. MAR 30 1908
No. 15736

41 N. Main St.
Concord, N. H. March 28, 1908

Mr. Louis Miller:

After talking with
you recently in Winston I.
my brother, Mr. Richard
Puryear, wrote me that you
doubt whether Donahoe
was a member of the Cher-
okee tribe. I have naturally
thought a good deal on the
subject, being one of Betty
Pledge Pindexter's descendants.
Of course I know that a

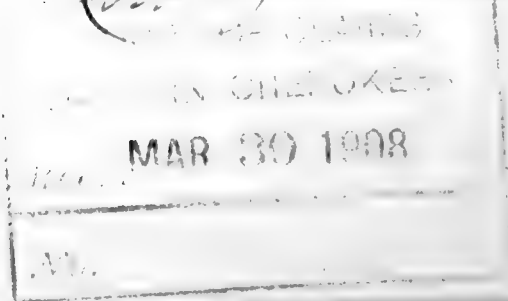

thing is not true simply
because it has been done
generally or even univer-
sally believed. That Chief
Donahoe was a Cherokee
I never heard questioned
until very recently, but I
have no means of proving
the fact if it be one. On
the other hand I presume
the Government will feel
bound to prove the contrary
before deciding the matter.
The scrupulous care that
it seems has been given

to this investigation, must
satisfy all reasonable people
that, whatever the ruling may
be, it has been arrived at
conscientiously. I think one
question is, are the Indians
now living in Western
N.C. Cherokees? I think
also there can be no doubt
that Donahoe was one
of that same tribe.
There will be sent to you a
copy of a funeral address
on Genl. Thomas L. Clingman
of Asheville N.C. (my uncle)
in which it is stated, what

up to that time we had never
known questioned, that he
was on his mother's side
descended from Cherokee
Indians - This of course is
no proof of the justice of our
claim but at least shows
conclusively that the claim
was based on an honest-
belief in its validity. Printed

Yours respectfully

Sir:

In answer to your letter of March 10th 1908, with reference to my
Claim No. 18746 for a share of the money due the Eastern Emigrant Cherokee

I am enrolled on the approved rolls made by the Dawes Commission,
as will be seen by reference to Roll No. 3815 John H. Wilson. Card No. 1402

That I am 56 years of age and live in Valiant, Okla. I claim my Indian blood through my father; my mother was a white woman. My husband is a white man. My father was born in middle Tenn. and was raised there - in Blount Co., Tenn. My father was about 75 years of age when he died. My father derived his Indian blood from his father, John Nunley. John Nunley was raised in Blount Co., Tenn. and died there. Don't know whether my father ~~was~~ his father ever lived with the Indians as a member of the tribe. I never did. I nor they were never on any rolls that I know of. My father always talked of coming to Okla. and taking up his claim but always put it off until it was too late. He claimed 1/8 Cherokee. I am recognized as a mixed woman in the community. I did not make application to the Dawes Commission. I nor my father nor grandfather never received anything from the government by reason of our Indian blood. I have a brother by the name of Harrison Nunley (39249). He lived in Okla. at the time of making his application but now lives in Texas - Sumner.

No. 18755

Mary Hays, after being first duly sworn, deposes and says:

I am 66 years of age; I claim Cherokee Indian blood through both my mother and father. I have never gotten any Indian money from the government. I do not know if my father or mother ever got any Indian money. My parents came West when I was about ten years of age. I do not know why my parents did not get Indian money in 1852. I tried to get an allotment before the Dawes Commission but was turned down. I do not remember ever seeing my grandparents. None of my relatives ever got any Indian money from the government that I know of except I think one of my uncles on my father's side did. My father moved from Tennessee too Arkansas. We lived in Hawkins County, Tenn. My grandfather Williams lived and died in the Cherokee Nation. I do not know when. I think my father had the most Indian blood. I have heard talk of my Indian blood ever since I was a little child. After my mother died my father married a white woman and she was never willing for him to go to the Territory and live with the Indians.

Appl. #18758

March 10, 1908.

William I. Beck,
Ben Tomond, Ark.

Sir:--

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, were both your grandparents on your mother's side Choctaws, and were they enrolled with the Choctaw tribe? Was your father also a Choctaw?

You state in your application that your brother Thomas M. Beck enrolled for you in the ~~Cherokee Nation~~. With what tribe, and on what roll was your name placed?

If you were a slave, please state whether a slave of Indians or white people.

Give the full English and Indian names of your grandparents on both sides.

Very respectfully,

Special Commissioner.

William I. Beck being first duly sworn, deposes and says:

That I am 61 years of age and live in Sevier Co., Ark. I claim my Indian descent through my father; my mother is part Choctaw. My father claimed about 1/8 ~~Indian~~ Indian. My wife is a white woman. My father's father claimed the Indian. His name was William J. Beck. They called him Bill. His wife was a white woman. My father was raised in Tuscaloosa Co., Ala., but I am not sure that he was born there. He was born in 1822 and died in 1874. I don't know whether my father ever lived with the Indians as a member of the tribe. He never came west but died in Mississippi. I never lived with the Indians as a member of the tribe. My father nor his parents were never on any roll that I know of and I never heard of any of them receiving any money or land by reason of their Indian blood. My brother made application to the Dawes Commission but his claim was turned down. Hubbard Bros. were some people who were taking the Cherokee roll about 15 years ago in Okla., but none of us ever got anything as the result of that enrollment. If my grandfather Beck had any brothers and sisters, I did not know them. Suppose he had. Jessie and Thomas were y father's brothers.

No. 18765

CLAIM 18765

Dalton, Ga., September 10th, 1908.

Claimant answers the question on the attached sheet, by numbers as follows:

(1) My name is Mary H. Laster, and my postoffice address is Dalton, Whitfield Co., Ga.

(2) I claim through my father, John J. Brown, 1/4 Cherokee Indian.

(3) My father died June 4th, 1867; he was recognized as a white person, in the communities where he resided; he was born in 1834 in Greenville, S.C., at which place his parents were living.

(4) My father inherited his Indian blood through his mother, who was Mary Ann Hester Hubbard; do not know when she was born; she was born in S.C., lived with the white people and was recognized as such.

(5) Neither my parent or grand parent ever received any money or land from the Government on account of having Indian blood.

(6) I have no knowledge that any of my ancestors were ever enrolled.

(7) I have no knowledge of any of my ancestors ever having taken part with any Cherokee tribal proceedings. They voted with the white people.

(8) My parent and grandparent were living in S.C. at the time the Indians were driven West; my grandparent went with the Indians, but returned - I do not why he didn't remain with them.

(9) Neither my parent or grandparent was slave.

(10) I was always informed by my mother that I was a part Cherokee, having inherited same from my father as aforesaid, who was 1/4 Cherokee Indian; I have had others who knew my father to tell me the same thing, and I have no reason to doubt the truthfulness of same.

(11) I know nothing of the Treaty the Government made with the Indians in 1835; never heard of it before the question was asked me.

(12) I was living in Alabama in 1882; my mother lived there also; my father was dead. Mr. R. J. Wade, Dalton, Ga., was with my father during the Civil War, and has informed me repeatedly that my father was part Indian.

Dear Sir:

On the 28th of August there was a batch of papers mailed you from the Atlanta Ga post office containing the exceptions to your ruling in the case of my mother, two brothers and myself, relative to our participation in the fund arising from the judgement of the court of claims in favor of the Eastern Cherokee Indians. I would like to ask for a little of your valuable time in regard to this case. We have never yet got our claims in proper shape ~~yet~~, from the fact that no one seems to know anything about filing these papers. Our attorney who was filing our exceptions died before he got them in shape, so we was rushed up to get them in on time. I hope they are properly filed for we are sure entitled to our share in this division. We can get ample proof to establish our claims when the ~~cases~~ ^{ours} come up.

October. I can tell you how we
claim this right. We claim under
the Wards, George, Jerry Bryan and
~~Elizabeth~~, Elizabeth, Elizabeth
Ward ~~my~~ was my great great great
grandmother, she married a McMillan
from this union there was a daughter Nan-
cy who married a Sosebee, from this union
there was several children one Elizabeth
my grandmother who married New Wade
from this union of Wade and Sosebee
there was several children one my
mother Rhoda A Wade, who married
Wm B Martin my father, ^{you see} this
connects direct by blood to the Wards.
We can establish this by several
witnesses. Will we have to have
our witnesses before the Court. or
will affidavits properly signed do?
Will you kindly give me all the
information you can as how
to proceed before this Court. What
the Court requires besides the excep-
tions?

Please answer at your earli-

I am 70 years old; I knew Jack Blevins, the
father of Joe Blevins. He was a white man. I never knew the
mother of Joe Blevins. I do not know whether he was an Emigrant
Cherokee or not. Joe Blevins never staid much in this country.
Jack Blevins came back from California just after the war and
married a Cherokee woman by the name of Humphreys. It has always
been the ~~understanding~~ understanding the Joe Blevins was a white
man and that his mother was a white woman.; that he was enrolled
by the Daws Commission simply because ~~he was a white man~~ his
half brothers were enrolled by the Commission. His half-

Madam:-

Replying to your letter of September 7, 1907, you are advised that your application for participation in the Eastern Cherokee fund has not been reached for final consideration, and we cannot state at the present time whether or not you are entitled to share in this fund.

As there are over 43,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Replying to your letter of July 26, 1909, you are advised that the application of William C. Mendenhall, of Wichita, Kansas, was rejected for the following reason:

"Ancestors through whom claim is made moved from Georgia to Cherokee Nation West in 1832-3, so could not have been members of the Eastern Cherokee tribe in 1835 or parties to the treaties of 1835-6 and 1846."

The inclosed copy of the order of the Court of Claims of June 10, 1909, will give you the necessary information for filing exceptions.

Very respectfully,

App. No. 18785

December 10, 1907.

Nancy Jane Brown,
Tribes, Ga.

Madam:-

Relative to your application, No. 18785, for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, you state that your father, Ambrose Woodville Anderson, was one-fourth Indian. To what tribe of Indians did he belong? Upon what conclusions do you make the statement that he was one-fourth Indian blood? Why was he not enrolled in 1835 and 1851? Did he get his Indian blood through his father, Nobel Anderson, or his mother, Elizabeth Anderson?

Was Elizabeth Anderson a slave? Was your father white or colored?

How do you know your grandparents on your father's side were of Cherokee descent? Were they ever recognized by the Cherokee Indians as belonging to the same?

Was Rebecca Mann, your mother, a recognized Cherokee Indian? If so, what name or names was she known in 1835 and in 1851, and why was she not enrolled with the Eastern Cherokee Indians at those times?

Where does your uncle, Nobel Anderson, live? Where does your uncle, William Anderson, live? Why have they not applied to participate in the fund under the present enrollment?

252/170

very respectfully,

Outstanding your claim for participation in this case.

That such success was only recognized by those involved in

situation?

that the law was not in fact, - that the law was not in fact,
and that the law was not in fact, - that the law was not in fact,

In reply to your letter, dated 1832, I have the honor to
acknowledge the same.

And I have the honor to acknowledge the same.

And I have the honor to acknowledge the same.

N.J.B. 2

Where does your sister, Agnes Anderson, live? Where does your brother, Julyan Francis Anderson, live? Why have they not applied to participate in the fund under the present enrollment? Are they known by any other names than those stated in your application?

In reply to query, "Were you ever enrolled for annuities, land and other benefits", you state that you made application about the year 1897. For what did you apply at that time? To whom did you make this application and was it allowed, - that is, did you receive any annuities, land or other benefits? If you did not, what reason was assigned for the rejection of your application?

Were you or any of your ancestors ever held as slaves?

You must furnish this office with good and sufficient evidence showing your relationship by blood to Eastern Cherokee Indians, parties to the treaties of 1835-6 and 1846, and a further fact that such ancestors were duly recognized by these Indians, to establish your claim for participation in this fund.

Very respectfully,

Special Commissioner.

Madam:

Relative to your application for participation in the Eastern Cherokee fund, you state in your application that you claimed through your mother and father. Were they both Cherokee Indians? Were your parents parties to the treaties of 1835-6 and 1846? Were they ever slaves? Were your grand-parents or any of them ever slaves? Why were you, your parents or your grand-parents never enrolled? Do you pass as white or colored in the community in which you live? State clearly all your reasons for thinking that you are entitled to share in this fund. Did any of your ancestors ever live with the Cherokee tribe? Unless you furnish the information requested above, your claim must be rejected, as the information furnished in your application does not entitle you to share in this fund.
